ABOUT IPSTH2020

The theme of IPSTH2020 is **Tourism Restart and Recovery: Responsibility Today, Sustainability Tomorrow**. It is aimed to provide an avenue for postgraduate students from all over the world to present and share their research works related to tourism and hospitality. It is also designed to connect postgraduate students to academics, researchers and practitioners to facilitate idea generation, discussion and collaboration related to tourism restart and development in a responsible and sustainable manner. While the event is open to all (registration is mandatory), the workshop and 3MT/5MT presentations are only for postgraduate students with valid student IDs. All manuscripts will be reviewed and only selected ones will be given slots for presentation.
